Clean better with Hotsy detergents

Hotsy pressure washers clean best when matched with our specially-formulated Hotsy detergents. Nearly all 40 Hotsy detergent formulations contain Hotsy’s exclusive advanced-formula HCC additives to help prevent scale build-up and fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved, and all are highly concentrated, so a little goes a long way.

Spend some time with a Hotsy Expert

Hotsy has more than 130 local distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Over 80% of Hotsy’s distributors have been supporting Hotsy systems for more than 20 years.

This seasoned network of local application specialists will ensure you get the safest, most effective and most efficient cleaning solution to your specific cleaning need.

Hotsy Accessories customize your application for top performance

Telescoping wands extend to 24” to reach high places without scaffolding

100’ E-Zee Hose Reel Kit

High-pressure hoses from 30 to 150-ft. lengths

High-pressure turbo nozzles for faster cleaning

Rotary surface cleaner attaches to your pressure washer; reduces overspray and zebra striping
